AMENDMENT TO 2004 IATA DANGEROUS GOODS REGULATIONS 45TH EDITION

(Posted 10 December 2003)

IATA have advised that they should have clearly identified in DGR 8.1.6.9.1, in the 45th Edition, that at the end of 2004, the current sequence: PSN, Class, UN No., PG, Sub risk, will no longer be valid.

From 1 January 2005, two formats are both acceptable

PSN, Class (Sub risk), UN No., PG or

UN No., PSN, Class (Sub risk), PG will be acceptable.

From 1 January 2007 only one format will be acceptable.

UN No., PSN, Class (Sub risk), PG
